

xFinancial details of November 2009 Retreat.

We need commitment for this retreat to happen. In order to secure the space at Bodega we require a minimum of 14 participants paying \$1,300 each Crystal Mountain members (\$1450 non-member price) to cover the total costs. Food and Dana are NOT included in this amount.

We require a \$200 initial deposit to secure our accommodation and teaching space by June 30, 2009 and commitment to a further \$600 by August 15, 2009. The balance will be due on the first day of the retreat, November 13, 2009

If interested please send:

The \$200 non-refundable deposit made out to Crystal Mountain Society

to: Jane Mortifee at 4783 Collingwood Street, Vancouver, B.C., V6S 2B3
If you will be sending a deposit please send me an email to confirm when your deposit will be sent.

If you are committed to this retreat and unable to meet these deadlines or require further information please call Jane ASAP at 604-266-6866 or 604-837-4744 or email janemortifee@telus.net

If we don't have 14 people the initial deposit will not be made and your money will be returned. Once the initial deposit has been paid to Bodega it is non-refundable. The second payment will be refundable only if the course is cancelled or if we find someone to take your spot.

We are looking for a Retreat Manager. The course fees for this individual will be waived (excluding food and Dana). It is preferable that this person have their own vehicle or access to one, the cost of gas will be covered.

Each retreatant is responsible to cover the cost of their own food (we are suggesting budgeting a minimum of \$15 per day). Personal food money will be given to the Retreat Manager who will be shopping for us once or twice a week. Shopping on Galiano is subject to higher island prices as well as availability. If you are able to pick up your own food off island that may also keep your costs down (especially for any speciality items, supplements, or medications that may not be available there). Any remaining shopping money will be returned to you at the end of the retreat.

Bodega Resort resides on 26 acres of land--woods, ponds, meadows, with 7 lovely chalets of 3 bedrooms each, as well as a lodge where classes will be held. Each person will have their own bedroom with shared kitchen and bath facilities. There is

electric and wood heat and lovely vistas of the ocean and Vancouver Island mountains--comfortable, cozy, and very beautiful. www.bodegaresort.com
